

**[www.aquajets.com.au](http://www.aquajets.com.au)**

**Dear Aquajets Members,**

**Could everyone please note that currently on the Aquajets web site home page, at the bottom left-hand corner is a form with the title “Sign-Up For Updates”.**

**By signing up you will receive email updates every Wednesday or when something very important occurs in the club that you must know about.**

**You will be notified when the latest club newsletter is available for download or collection, when upcoming swim meet entries close, a PB Challenge may be the following week, programs for swim meets have become available, there are training changes in the following week or over the holidays that you may not be aware of, or just to stay up to date with results from recent swim meets and follow the achievements of your team mates.**

**To sign up for these updates could you please fill in the form with you email address, first name and second name in the relevant boxes. Once you press “Join Email List” an email will be automatically sent to the email address you specified. Inside this email will be a link that you must click on to be confirmed on the update list. If you do not click it you will not receive any emails until you do. Once your subscription has been confirmed just sit back and relax, since you no longer have to ring around to find out what is happening.**

**This process is entirely safe and your details are not shared with anyone outside of the club.**

**Yours sincerely,**

**Grant Trewella

## Sign-Up for Updates

Are you an Aquajets member?  Yes  No

## Welcome to the Aquajets Swimming Club web site

On our site we supply our members with the latest information about the club, upcoming swim meets, meet results, the latest news and much more.

We also let the public learn more about our club if they feel they may want to join in the future. Please feel free to contact our head coach Peter Higgins if you wish to learn more about the Aquajets Swimming Club. [Contact Peter Higgins.](#)

## Latest News

Keep up to date with the latest news at the Aquajets Swimming Club.

### » Club Notices: PB Challenge, Training & Club Champs

Firstly, tomorrow the 4th of March at 6.30pm the club will hold the last PB Challenge for the season. This event is held at Reservoir and it is expected that every swimmer will attend.

Good luck to Chloe who will compete at the Tasmanian Age Championships from the 6-8 of March. She has entered the 100m Butterfly, Backstroke and Butterfly events and hopefully will return with many PB's but most importantly has a great experience.
