

EPPING AQUAJETS CLUB RECORDS

Club records are obtained from the following meets:

- Metro North
- Swimming Victoria
- Swimming Australia
- Qualifying Meets

Legal split times can be included if available (ie. 1st leg of a relay, 1st 50 metres of a 100m event).

Every effort is made to ensure the information listed is as accurate an account of the club's records as possible, however, the club reserves the right to amend and update records as new information becomes available.

Any Epping Aquajets club member who has achieved a time faster than those currently listed, and would like it recognized as a club record, may submit the details on the Club Record Application Form, to the club's records officer for verification.

Club Championships Records are separate from Club Records, and are automatically updated at the conclusion of each Club Championships. They do not need to be applied for.
